Since its inception in 1993, Maharishi Markandeshwar Trust (MMT) has banked upon innovation and passion to make the process of education valuable as well as relevant in sync with global competition. In fact, the Trust has gone out of its way to rope in best practices in the education eco system which is so very evident in the ever-increasing influence and popularity of MM(DU), a leading and vibrant Deemed to be University under MM Trust. MM(DU) is known for its high employability quotient courses, world-class faculty, state-of-the-art infrastructure and larger-than-life success stories of its alumni.

MM(DU) has been the vanguard of every industry-institute engagement. Besides the regular classroom lectures, students also get a chance to take part in workshops and webinars apprising them of real-life business leadership challenges.

What we offer is more than a degree; it is the complete learning experience along with a robust monitoring network and with the best of opportunities, career and personal advancement across different fragments of the Full-Time Programs. Being a part of the lively, pioneering and socially engaged global community of MM(DU), students get to see diversity in all forms. They are able to rise to a culture of collaboration and develop the nerves to deal with the status quo.

ONE MAN'S VISION
REVOLUTIONIZED THE EDUCATION

SH. TARSEM KUMAR GARG
Hon'ble Chancellor, MM Universities

Meet the visionary behind MM Institutions – Sh. Tarsem Kumar Garg who spearheaded the education revolution through MM Institutes. It has been an evolving journey for him in last 25 years as he played a key role in enabling the students from small towns script big success stories.

He aspired to empower the students hailing from North India with global education so as to have the best start in their life. It was his idea that the best education and infrastructure should be made available to the youth of tier II and tier III cities in North India. Coming from a humble background himself; Sh. Garg dedicated his life to spread the enthusiasm for higher education and professional courses in small towns and rural areas of the region.

To realise the vision of "Education for all", he set up the Maharishi Markandeshwar Education Trust (now known as Maharishi Markandeshwar Trust) in 1993. In a short span of less than 3 decades, MM Group of Institutions has grown into one of the most reputed educational groups in the country, which takes pride in its state-of-the-art infrastructure as well as expert faculty. These institutions have widened the horizons of growth and success for thousands of youth and equipped them with a culture of excellence, inclusiveness and social service.

Vision

To prepare students with an integrated and technology oriented education for a better career and to be worthy citizens of a global society

Mission

To develop better than the best professionals for the economic development of the country

Goals

To excel in various disciplines of education

To encourage research and development in various departments in thrust areas identified by various national agencies

Quality Policy

Committed to produce trained and professional manpower competent and responsive to the challenges of a dynamic and vibrant society

NEW AGE EDUCATION
LEARNING BY DOING

The real purpose of education is to encourage students to ask, to dream, to aspire and to feel happy about everything they do; and think beyond success or failure. MM(DU) focuses on making the students industry ready and knowledge of books alone is not enough for that. So the MM(DU) involves the students in Project-Based Learning; especially the students of Science, Nursing, Computer Applications, Technology and Engineering courses in various significant LIVE projects where they get the opportunity to understand real life challenges and gain by working in the industry-like situations. Project-based learning approach is also followed in Management and Hospitality courses.

WHAT MAKES MM(DU) A
TRAILBLAZER?

Focus on Research & Development

At **Maharishi Markandeshwar** Institutions, the focus is on establishment of centers for research and development. Under expert aegis of mentors students are propelled to embark on research work at different centers.

In-Depth Project Work

For an effortless culmination of theoretical know-how to practical knowledge, students are driven to undertake various projects with different organizations under expert guidance of their mentors.

Highly Knowledgeable Intellectual Pool

MM(DU) takes pride in its highly resplendent team of intellectual capital. Extreme care is exercised in hiring the best faculty. The faculty not only holds the industry experience but also makes sure that the students benefit immensely from the knowledge they hold.

Student Driven Societies & Clubs

There are many societies & clubs such as – Dance Society, Quiz & Debate Society, Sports Society etc. to leverage student potential in planning, controlling and organizing the activities.

Teaching Methodology

The best faculty at the university aims to offer best teaching with latest technology assisted tools. Apart from the traditional classroom teaching, several other techniques are used for teaching such as live simulation exercises, web based learning and project works. All these techniques are used so that delivery of knowledge becomes more effective as well as fun.

World Class Infrastructure

Modern buildings, state-of-the-art classrooms, fully equipped sports complex, auditorium, hospital, centres of excellence, exhaustive library, campus business park, latest technology labs, trained faculty, lush green lawns spread across 40 acres of land-all of this promise students an amazingly vibrant university life experience.

Multi-Cultural Environment

At MM(DU), one can experience a potpourri of different cultures and ways of life as students from every state of India and even abroad are here to develop their competencies. Such intercultural experiences help the students to gain maximum from their learning. Cosmopolitan environment also helps the students to realize their dreams of a successful career.

Rich Repertoire of Knowledge

In the fast changing work environment, latest and most up-do-date course content has become the need of the hour. In order to accomplish this requirement, special review teams are set up with a view to enhance the course content and add on newer as well as wider dimensions to the already existing contents.

Strategic Location

MM(DU) is located strategically in the most happening place in the state of Haryana with about an hour drive from Chandigarh.

Rich Legacy of Education

MM Group brings with its name a legacy and rich experience in the arena of education spanning more than 25 years

Personality Development

Special programmes are conducted by MM(DU) to help students gain confidence and improve their social skills. Several training sessions on soft skills, etiquettes, presentation skills, personal grooming, etc. are held for all the students.

Quality Certification

The Group has been ISO 9001:2015 certified for its quality standards.

Language and Communication Lab

A Separate language lab makes English language learning fun and very effective.

Dedicated Central Placement Cell

Central Placement Cell helps students in career skills assessment, resume writing, interview techniques and other soft skills development.

Holistic Development

Education at MM(DU) goes beyond books and focuses on holistic development through Yoga, Meditation, Taekwondo and Art of Living workshops.

Case Study Based Learning

Case based learning enhances analytical and problem solving skills of students enabling them to apply in different management settings, essential to the leadership of business/industry around the world.

Corporate Dress Code

The students dress up in formal attire as per the University decorum.

STUDENTS TESTIMONIAL

It would not have been possible without the help of our placement cell team who brought such big MNC to our campus. Getting placed in Microsoft was my dream always. All thanks to placement cell for helping me. Also my professors were always there to guide me in every situation. So a big thank you to them also.

ANSHUL SONI
MICROSOFT

I joined this college in 2019. I was very shy person when i joined this college but the faculty of MMEC helped me to learn and grow. The training and placement cell helped me a lot in the placement process. I am very glad to be a part of MMDU and i am joining ECOLAB as a Software engineer. Thanks to MMDU.

Deekshant Goyal
Ecolab, Bangalore

I am thankful to MMDU's placement department and all other people who helped me to get into PWC. The unique thing about MMDU is that they let the student choose the company. This makes me feel proud to be a MMDU student.

VAIBHAV GAGNEJA
PWC

The training and placement department of our college is one of the best in the region. They provided us with excellent training and placement assistance, which helped us secure jobs in reputed companies. The department also organized several recruitment drives, which gave us the opportunity to showcase our skills to potential employers.

**Chetan**
MuSigma, Bangalore

Throughout my time as a student, the placement department was always available and eager to help me prepare for interviews. The guidance and support provided by the placement department and my teachers were invaluable in helping me navigate the job search process. They took the time to understand my career goals and aspirations and provided me with tailored advice and resources to help me achieve them.
